

WSET LEVEL 2 IN WINES & SPIRITS IN ENGLISH

At the Scandinavian Wine Academy – Denmark (Vinakademiet) we are delighted to be able to offer the WSET Level 2 Award in Wines & Spirits in English. Since the study material and the exam is in English it makes good sense to teach in English as well. Furthermore, this will give all non-Danish speaking wine enthusiasts and professionals the possibility to deepen their knowledge through high-level wine education, while building a solid tasting technique and getting an international well-known certificate.

No previous wine knowledge is required. If you are in doubt about your qualifications for taking the course do not hesitate to contact us.

The course consists of three days of teaching and an exam at our facilities at Hotel- og Restaurantskolen in Valby. The daily schedule will be from 9.30am till 5pm.

The dates for upcoming courses will be available at www.vinakademiet.dk/kalender as soon as they are set.

All study material and all lectures as well as the exam will be in English.
